Dear Papa:

Ordered  
somewhere probably  
to Tampa. Not well,  
water too much like  
Compound Cathartic whether  
boiled or not. Broke, —  
stomach could not hold  
bacon, to fat, had to  
buy bread and milk,  
that and the ride up  
drains me out. Can you  
help me at all? If so  
I don't know where you  
would send it yet. Pretty  
tough here, no water, no food,  
but no liquor anyway.

Will try to write soon,  
Yours son.
