General Information

Parking permits are required to park at the University of South Florida St. Petersburg 24 hours a day, seven days a week. Permit types are used to designate parking locations on campus. Parking lots are designated as gold staff, green staff, and student. Some lots have designated visitor parking spaces. Some lots have multiple designations. These designations remain in effect 24 hours a day, seven days a week.

Individuals may purchase only one vehicle hangtag permit. USF hangtag permits may be transferred between same owner vehicles only. A limited number of adhesive permits are available for those with soft-top vehicles and/or special circumstances only.

Parking Enforcement

Parking rules and regulations are designed to: provide orderly parking for faculty, staff, students, and visitors; protect pedestrians; and to ensure emergency access to all buildings. Violation of these regulations can result in parking citations, immobilization, or towing of your vehicle, or loss of parking privileges on campus. Only the Department of Parking Services has the authority to waive or grant exceptions to these regulations.

Parking Services will make every effort to ensure that parking space is available to anyone who purchases a parking permit through enforcement of these regulations. Due to limited number of parking spaces on campus, enforcement of parking regulations is important even during off-peak periods. A concerted effort is made to enforce regulations as uniformly as possible.

We appreciate your patience and consideration. Those who park illegally for the sake of convenience invariably cause inconvenience to others.

Display of Parking Permits

Hangtag Permits must be displayed hanging from the vehicle's rearview mirror with the logo side facing out. Hangtags must be clearly visible from the exterior of the vehicle. If you have a heavily tinted windshield, or have difficulty hanging your tag from the rearview mirror, contact Parking Services at 553-3480 for possible options.

Hours of Enforcement

Parking is enforced 24 hours a day, 7 days a week including holidays.

- Creating a hazardous condition
- Display of a counterfeit, stolen, altered, lost or revoked permit

Contact Parking Services (or the University Police after hours) if your vehicle has been immobilized or towed.

Additional charges for towing and storage of vehicles must be paid in cash to the towing company. Each towing company charges and fully retains all fees. Transportation to the towing company impound area is the responsibility of the driver.

Immobilization and towing of vehicles is a last resort! Please respond to parking citations and observe parking rules and regulations!

Appeals

Individuals who receive a parking citation and believe that extraordinary or mitigating circumstances warrant waiver of their parking fine may petition the Parking Services Department for reconsideration. Parking citations may be appealed within fourteen (14) calendar days of the date the citation was issued. If an appeal is not submitted within fourteen (14) calendar days from the date of the citation was issued, **THE RIGHT TO APPEAL IS FORFEITED**. Appeals may be made in writing, or electronically at http://www.usf.edu/parking_services/. Late fees do not accrue during the period that the appeal is under consideration.

The following are reasons that will not be accepted by Parking Service Department and the Final Appeals Committee as reasons to dismiss or reduce a citation. This is not an all inclusive list:

- Disagreement with the Traffic and Parking Regulations
- Ignorance of the regulation
- Stated inability to find a permitted parking space
- Operation of the vehicle by another person
- Stated failure to issue citations previously for similar violations
- Tardiness to class and/or appointment
- Inability to pay fine (lack of money)
- Displayed wrong or expired permit
- Traffic congestion
- Received bad verbal information
- Stated perception that designated parking area is not safe

If one is going to file a final appeal consider the following:

1. Make sure your reason for the appeal is not one of those listed above
2. Prepare a concise written and/or oral argument not to exceed five (5) minutes

Those dissatisfied with the decision of the Appeals Mediator may petition for review of the citation by the University Final Appeals Committee within 14 days of the appeal decision. The University Final Appeals Committee is comprised of faculty, staff and students. The decision of this committee is based on parking rules and regulations and constitutes the FINAL DECISION. If the citation that has been paid is dismissed in the appeals process a refund will be issued through the appropriate University refund process.

Special Events

As with many large metropolitan Universities, visitor and event parking can be a challenge. The goal is to assure our guests and visitors have a positive parking experience at the beginning and end of their stay on campus.

Events may reoccur from year to year and become an integral part of the campus environment, however anything outside of the normal business and academic schedule for the University is considered a special event. Examples include but are not limited to: Workshops, Meetings, Conferences, Banquets, Ceremonies, Performances, Camps, or Seminars.

Parking arrangements must be made for staff, volunteers, vendors and guests. The current cost for event parking is \$3.00 per vehicle, however bulk discounts are available.

Parking is only available in select parking lots and will be designated by Parking Services. During peak times of campus usage, off campus participants will need to make arrangement for parking with parking facilities off campus. If an event is small enough and held during off peak times, limited spaces maybe available on campus, however, a fee will be involved. A well-planned event allows attendees to focus on the event and leaves them with an enjoyable

experience and the feeling that they would like to return in the future. Parking arrangements must be properly coordinated to make it part of this enjoyable experience. This means that Parking Services must be consulted at the beginning of the planning process for the event.

Conferences and Academic Events

USF has many conferences and academic events. Parking arrangements for these conferences and academic events vary depending on the time of the year and location.

It is necessary for sponsors of these conferences or academic events to make arrangement for parking and secure permits for participants, sponsors, staff, etc. This means that Parking Services must be consulted at the beginning of the planning process for the event.
