If the submission contains material for which I do not hold copyright, I represent that I have obtained any necessary permission from the copyright owner to grant the USF Libraries the rights required by this license, and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission.

The University of South Florida Libraries will clearly identify my name as the author or owner of the submission, and will not make any alteration, other than as allowed by this license, to my submission.

I hereby release the University of South Florida, its affiliates, officers, directors, employees, and agents from any and all claims, demands, damages, and causes of action of any nature that I have or may hereafter have arising out of or in connection with my participation or attendance at the event or USF's use of this work, including, but not limited to any claims for defamation,

invasion of privacy, invasion of right of publicity, misappropriation of likeness, infliction of emotional distress, negligence, or any other physical or monetary injury.

If the submission is based upon work that has been sponsored or supported by an agency or organization other than the university, such as the National Institutes of Health, the National Science Foundation, or private funder, I represent and warrant that I have fulfilled any right of review, confidentiality, or other obligations required by the contract or agreement.
