COQ 212

Present: Deanna Michael, Tom Carter, Deni Elliott, Steve Lang, Kaya Townsend, Chris D'Elia, Donna Knudsen (Graduate Studies)

Absent: Bob Dardenne, Tom Ainscough

The meeting was called to order at 9:35

The minutes from the April 13 meeting were approved. Deanna explained the status of the MS in Environmental Science and Analysis. Deanna explained the status of the MS in Environmental Science and Analysis. Because a MS in Environmental Policy has already been approved for the USF system, the name of the MS approved last April was changed to reflect the approved program. Therefore, the proposal needed only to go before the Board of Trustees workgroup as an information item. Deanna explained that the name change was non-substantive and therefore did not have to go before the Graduate Council for approval

The reading course submitted was withdrawn for revision, and the Elementary Education MA, Mathematics Track faculty wanted to resubmit the program to include a new measurement course.

Deni requested an overview of the duties of the Graduate Council and its responsibilities. Deanna gave the overview. Chris D'Elia also explained the relationship of the Graduate Council and Graduate Studies and offered to send the GC members the Graduate Studies Annual Report for 2005-2006. The GC members agreed that they needed the GS Annual Report.

Tom Carter was elected Chair for 2006-2007.

The meeting was adjourned at 10:15.
