VI. Business Items for Discussion:

A. Charging School Community Partnership Committee

Dr. Vanover asked for the charge of the School Community Partnership Committee. Dean Fueyo provided background information on why the standing committee was created and brought the COE Constitution to read the charge of the committee. The charge is also posted on the COE website. Dean Fueyo suggested the committee discuss this charge and decide how this standing committee decides to proceed with their work. Dean Fueyo also suggested that it is the committee may make recommendations to the Council whether or not to remain as a standing committee or to propose an amendment to COE constitution to work as Ad-Hoc committee. Dr. Vanover agreed to discuss this with School Partnership Committee during their next meeting.

B. Dean's report

Dean Fueyo gave the following report to the Council. The 81,000 square foot Multipurpose Student Center, which comprises meeting rooms, dining facilities, and 186 additional beds for residential students, has received final approval from the Board of Governors. Ground breaking will be in March with completion expected in fall of 2012.

- Budget update. The budget situation for fiscal 2012, which begins July 1, 2011, remains the same as reported in the November meeting. The Deans are presenting plans to Dr. Noonan to address the \$1.8 million dollar loss to USFSP represented by the stimulus funds, which go away at the end of this year. In the COE, \$197,000 dollars, or approximately 8% of the COE budget, comes from the stimulus dollars. The Dean offered to continue to keep the Council apprised of further budget updates as they become available.

B. Standing Committee Report

Ms. Khattabi informed Committee that Undergraduate Council was informed that L. Crossman has created a P Drive folder for a completed course proposal as a sample. The sample is available to all faculty/colleges to be used when submitting new course change proposals.
