Faculty meeting February 26, 2010

Dean's report. See Power Point

NCATE and AFI - communicating the Conceptual Framework to candidates, adjuncts, and CTs

Faculty accomplishments

Brie: Administration evaluations -- developing process for evaluations; collaborating with administrators on how to gather useful information. System administrators --SP senate requested a system evaluation. T senate distributed an instrument that reflected responsibilities on as T administrators.

Brie requested input from faculty on the development of administrative evaluation. Meetings will be open and instrument will be vetted by the faculty. Committee will have representation from three colleges.

Amendments to faculty charter: See handout from President Reck

Invited to have a seat at the Advisory Board Senate.

Two handouts: AACTE debonair schedule. Will reserve conference room for viewing the debonair. Second is a handout about the Teacher Work Sample from Oregon University. Using the TWS to gather data, teach research, and evaluate impact of teaching on learning.

Bonnie: TWS Thursday April 29 10:00-11:30.

Evaluation of TWS from Fall 2009. The contextual factors should be driving the sample goals, assessment plan, analysis of student work--how their teaching related to their student's learning. Student selection usually reflects a range of students.
