Dear Papa:

We are waiting to go aboard the Catania. We are right beside her. She is big, black, and hot. Will try to write more tonight if possible - but don't expect any letter. It's very hot here but I'm getting acclimated. Some of the boys are feeling badly - most of a guess. Those of our com. pictures were taken at home. You can get them on F - north side near middle, upstairs - 919? ask for pictures taken by Corp Oliver Bell. They were
