New 2014 Quality Matters Rubric

The Quality Matters (QM) program is nationally recognized and has become the most widely used set of standards for the design of online & blended courses in Higher Education. The QM Rubric is a set of 8 General Standards and 43 Specific Review Standards used to evaluate the design of online and hybrid courses. Join us to discuss the updated QM Rubric, the concept of alignment, and how to prepare your online course for a QM Review.
