This collection of campaign pins and bumper stickers, donated in September 2004 by Aurora "Lel" Kellman, includes items from many political campaigns. Most of these materials support candidates or platforms sponsored by the Democratic Party, although some do support third-party candidates (such as Ralph Nader of the Green Party in the 2000 presidential election).

## **Preservation Note**

The materials in this collection occupy two acid-free envelopes. While preservation measures may slow the physical deterioration of such items, these steps cannot prevent damage from occurring. To prevent further damage to the fragile materials in this collection, avoid exposing them to light for an extended period of time. Please report any rust or damage so that library staff may take appropriate preservation or conservation measures. No restrictions limit access to this collection.
