ARMY NURSE CORPS.

It is a world filled with adventure and challenge. If you are given an overseas assignment, you could be stationed in Germany, Hawaii, Italy, Korea, Belgium, or Alaska.

With 48 hospitals around the world, you'll be part of a world-wide health care system. Even if you don't go overseas on your first assignment, you can eventually. The Army will make every effort to give you the assignment you desire.

As an Army nurse, you'll have a chance to advance your career with new clinical experiences. You'll have the professional responsibility for providing nursing care.

You'll have a chance to travel. You'll have a chance to continue your education. You'll be able to change specialties and geographical locations without losing seniority.

You'll receive an initial uniform allowance. Plus free hospital duty uniforms. You'll receive moving and travel costs when you enter the Army Nurse Corps and when you are transferred.

You'll receive generous retirement benefits should you elect to make the Army a career. You'll receive periodic raises in pay as your length of service and rank increases.

You'll be entitled to liberal vacation time with pay. As an Army nurse, you'll be working with professionals who share the same vision and commitment to patient care as you.

Telephone Instructions

ON-CAMPUS CALLS

To reach another office (extension) on the same campus, dial the extension number as it appears in this directory.

To Transfer an off-campus call to another extension:

1. Advise the party calling what you are going to do.
2. Depress the handset plunger once. When the dial tone is heard, dial the extension number.
3. When the extension party answers, advise him you are transferring the call.
4. Hang up. The call will be transferred automatically.
5. If line is busy or does not answer, return to the outside party by depressing the handset plunger once.

OFF-CAMPUS CALLS

To call a local number, dial "9", for an outside line; then dial your off-campus number.

LONG DISTANCE

Students may not charge long distance calls to USF numbers. Pay phones are conveniently located for this purpose.

Staff members may place authorized long distance calls according to established procedures. SUNCOM should be utilized for all toll calls throughout the continental U.S., as well as for State of Florida agencies.

REPAIR SERVICE

Report trouble with your telephone to the Campus Operator by dialing "0."

TELEPHONE SERVICE

All new requests for telephone installation or changes in existing systems must be made by memorandum to Physical Plant. Allow at least two weeks for installation or changes in service.

DIRECTORY CHANGES

Be sure to report changes in your residence address and telephone number. (Faculty and staff report to Personnel Services; students report to Registrar's Office.) The Campus Operator should be advised of any changes in on-campus numbers, new appointments, terminations, and activities.

DISTRIBUTION

One copy of this directory is provided free of charge to accompany each telephone instrument in the University system. Additional copies are provided for distribution to the student body, faculty and staff.

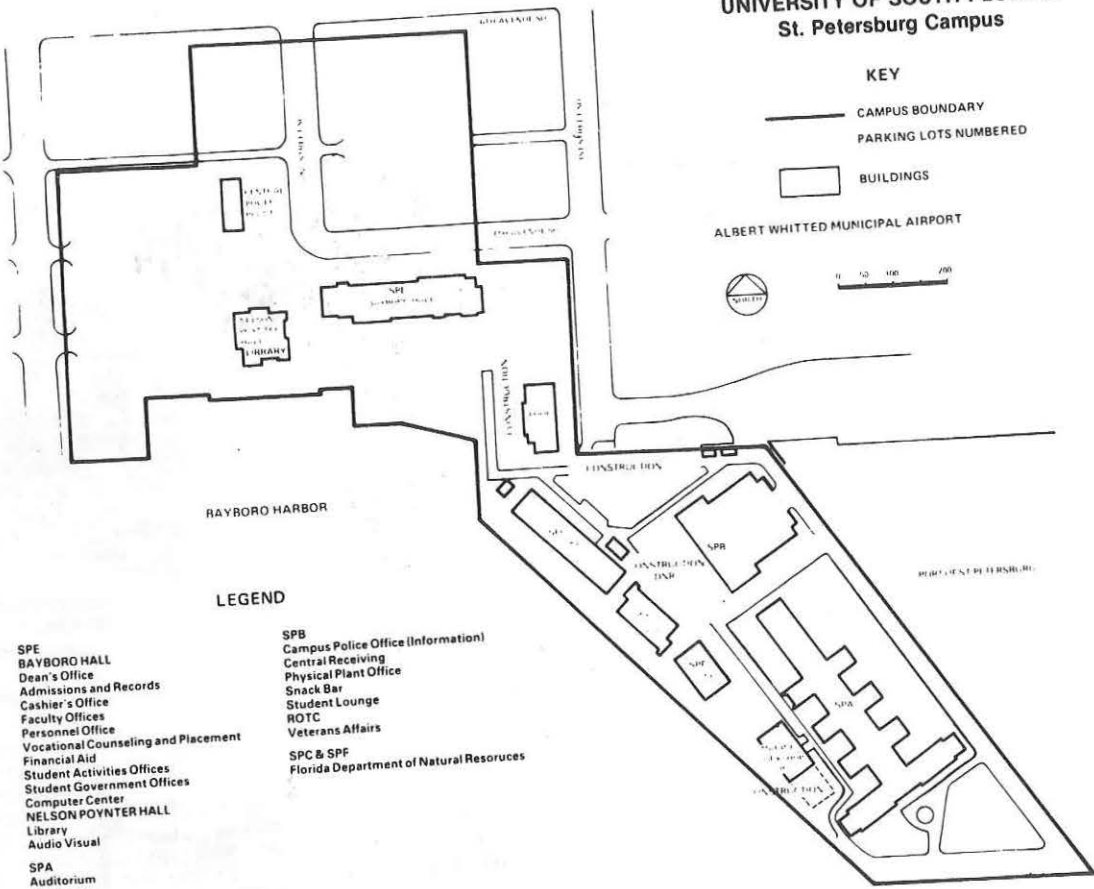

TELEPHONE COURTESY

As a great number of people have their first — and in many cases, only — contact with the University through the telephone, they base their opinion of our institution on your telephone manners. Proper telephone use plus common courtesy result in effective and pleasing telephone contacts.

The University of South Florida is committed to the principles of equal educational and employment opportunities without regard to race, color, sex, religion, creed, national origin, political opinions or affiliations, Vietnam, disabled veteran status, handicap or age as provided by law and in accordance with the university's respect for personal dignity. These principles are applied in the conduct of university programs and activities, and the provision of facilities and services.

The presence of advertising in this Directory does not constitute University endorsement of the advertised products or services. The University Directory is published for the information and convenience of students, faculty, and staff, and not for commercial purposes. Anyone believing that it is being utilized for sales solicitation or other commercial purposes may report the circumstances to The Vice Pres. of University Relations.
