Dear USFSP faculty and staff,

Welcome back. I hope each of you had a fruitful summer and you were able to take some time for yourself. We are back in full swing with classes and activities and I look forward to a productive semester. High on my list is the recruitment of the new Regional Chancellor for USF St. Petersburg.

We have been busy preparing for the search with the hiring of Funk and Associates and the selection of Dr. Frank Biafora to chair the search advisory committee. I am pleased to announce the USFSP Regional Chancellor search advisory committee members who will work with our consultant, Mr. Bill Funk, to recruit and advise me on the selection of our next Regional Chancellor. We are facilitating a national search and hope to invite prospective candidates to campus this Fall. We have a lot of work ahead of us but I am optimistic that we will find a dynamic leader to take USFSP through the next level of growth and development.
