Undergraduate Curriculum Committee Meeting Minutes
February 13, 2008

Present: K. Braunsberger, C. Davis, M.J. Jackson, D. Marlin, M. Wilson, B. Thompson,

Also present: S. Geiger

The meeting was called to order at 12.02pm

The meeting addressed the following issues:

1. The Committee discussed the deadlines for the ALCs as e-mailed to the COB by CAS. It was decided to contact Gary Baker to double-check about these deadlines.
2. The Committee also discussed using the ETS exam to satisfy ALCs at least in part. It was decided to have a closer look at the ETS and determine whether it can be used to assess both the core and the individual academic disciplines.
3. The UGCC also discussed whether incentives should be given to motivate students to excel on the ETS (or the chosen exit exam).
4. Further questions that need to be answered are what type of information about student results is available from ETS at what cost? Will ETS be able to supply information about each question? About each possible question answer? What will the fees be for this information?

5.

The meeting adjourned at 1:05 pm.

The next meeting will be Wednesday, February 27, 2008, at 12:00 pm in the conference room. The agenda will include a detailed review of the ETS and the input from each of the academic areas will be discussed.
