A Message from the Executive Director:

Happy New Year! The CUTR team accomplished so much in 2018. I believe that 2019 will be even better! Thank you for all your hard work and dedication. We wish you a happy, healthy and safe New Year!

Congratulations to CUTR Program Director Dr. Steve Polzin and colleagues who led the development a white paper Vehicle Miles Traveled: Trends and Implications for the U.S. Interstate Highway System in support of the National Academy of Sciences’ release of a Congressionally-mandated report on the Future of the Interstate Highway System: Renewing the National Commitment to the Interstate Highway System: A Foundation for the Future.

Click here to download the full report.
"Casa Bertini" Holiday Party and Games was held Friday Dec. 14. 
Click here for more photos from the party!

CUTR was pleased to welcome Mr. Renato Pires da Silva Filho from FAPEC Foundation on Dec. 17. 
Obrigado to all!

Collecting toys for children in the area, CUTR elves were happy to help Pasco Healthy Families for the 19th year!

CUTR welcomed Tom Creasey of Caliper Corporation on Dec. 13. to discuss the advancements in TransCAD & TransModeler.
It is our pleasure to co-sponsor our third TRB Reception and Alumni Reunion with the Transportation Technology Center, Inc. It will be held on Monday, January 14, 2019, from 5:30 pm - 7:00 pm at the Walter E. Washington Convention Center, Washington, DC in the East Overlook room (L2). We hope you will invite your contacts to stop by and connect with us!

Congratulations
to CUTR’s Alexander Cruz, Pamela Lapaugh, and Rino Saliceto for earning the designation of Certified Research Administrator at USF (CRA-USF).

The CRA-USF is an internal designation given to employees by the Academy of Certified Research Administrators at USF who successfully complete a certification course.

We encourage all CUTR employees to sign up for CRA designation courses!

  **Value**: 360,000

Timesheets are due!

Timesheets for weeks ending 1/3 and 1/10 are due by 10:00 A.M. on 1/8.  
Timesheets for weeks ending 1/17 and 1/24 are due by 10:00 A.M. on 1/22.
For students who complete hourly timesheets: please make sure your timesheets are approved by your supervisor.

CUTR is going paperless! Please use DocuSign for electronic signatures.

**Need Help?**

- Click here for instructions on using DocuSign.
- Click here for information on how to complete a timesheet.
- Click here for information to use the Aegis remote desktops.
- Click here for help fixing common issues with timesheets.

REMINDER - It is VITAL that you do your timesheets as early as possible... If you do miss a deadline, you will not be able to submit in AegisWeb.

**Tip of the Month**

Get up and move!
Happy New Year, << Test First Name >>!

CUTR

NINE WAYS
to increase movement at work

1. Stretch once an hour
2. Try standing work meetings
3. Take the stairs
4. Walk around while talking on the phone
5. Walk to talk rather than email
6. Take the long way to the restroom
7. Shrug your shoulders
8. Set a reminder timer to get up & move every thirty minutes
9. Stay well-hydrated and refill often

Pam's Hot Tip

Office trash is taken out on Thursday mornings. If you need your trash emptied before then, please leave your receptacle in a common area like a kitchen or break area. Please bring your receptacle back into your office or area after it has been emptied. Thank you!
