HELP THE HERD STAY HEALTHY

Do your part to help prevent the spread of COVID-19.

Wear a face covering.

Wear a mask or other face covering when inside or around others.

Practice physical distancing.

Stay at least 6 feet apart. Avoid hugs, handshakes, and close quarters.

Wash your hands often.

Wash your hands with soap and water for 20 seconds or use hand sanitizer that contains at least 60% alcohol.

Clean & disinfect your space.

Clean and disinfect frequently touched surfaces.

These easy actions don't just help protect you, they help protect the entire USF community. You play an important role in helping the herd stay healthy!
