To: The Senate Committee on Appropriations

Subject: Request to Fund a New Senate Secretary Position

Date: 07 October 2011

Attached is a request to this committee, and accordingly The Senate, to fund a new Senate Secretary position. Over the past several weeks, we have come to the realization that the volume of workload generated through our numerous committee and sub committee meetings exceeds our current transcription capabilities. Furthermore, we recognize that in several weeks the Activity and Service Fee Recommendation Committee will commence with its day long meetings and as such, compound this workload even further beyond our capability.

This additional position will allow us to meet the standards of transparency and accountability which we have set for ourselves and have become accustomed to providing. It is my opinion that without this additional position, the Senate will not be able to continue to meet its obligations as dictated by the SG Public Records Act and the Florida Sunshine State Law.

I have attached the request for your review. The total request was formatted in accordance with the currently funded Senate Secretary position. The position consists of 15 hours a week at a rate of \$9.55 an hour for a total of 32 weeks. The Total request is \$4,859.

I appreciate your support in this matter and as always, am available to any questions you may have.
