#### CAMPUS OPERATORS (TAMPA) / DIRECTORY INFORMATION

Main Campus.....974-2011  
Medical Center.....974-2201

**TELEPHONE SERVICE**  
All requests for telephone installations or changes must be requested through Information Technologies, Customer Service by the organization's Telephone Counselor on a Request for Communication Services form.

**REPAIR SERVICE**  
Report problems with your telephone service to your organization's Telephone Counselor who will in turn report the problem to Information Technologies, Customer Services at 974-9000.

**DIRECTORY CHANGES**  
Report changes in your residence address and telephone number to Human Resources (Faculty and Staff) or the Registrar's Office (Students). The organization's Telephone Counselor should be advised of any changes in on-campus numbers, new appointments, termination, and activities, and will forward the changes to the Office of Public Affairs.

**LONG DISTANCE AND OTHER CHARGEABLE CALLS**  
Faculty and Staff may place authorized, business-related long distance and other chargeable calls

according to USF Policy and Procedures. Long distance calls where applicable are automatically routed to the SUNCOM network. Faculty and Staff must obtain long distance authorization codes from Information Technologies in order to place any chargeable calls. Faculty and Staff may not charge personal calls to USF authorization codes. Place personal calls using the "Credit Card and Collect" calling procedures above or use pay telephones. 900/976 calls cannot be placed from the University of South Florida.

**USF TELEPHONE NUMBERS**  
The telephone numbers used by USF are the property of the University and cannot be altered in any way without the expressed written consent of Information Technologies.

**CONFERENCE CALLS**  
Information and instructions are available from Information Technologies, Customer Service, SVC 1099, 974-9000.

**ACCOMMODATIONS FOR PERSONS WITH DISABILITIES**

In Accordance with Title II of the Americans With Disabilities Act (ADA), special telecommunications assistance is available from the Information Technologies, Customer Service for sensory-impaired persons. We will provide assistance in selecting or providing when appropriate, any type of telecommuni-

cations-related devices and/or services to make a reasonable accommodation for impaired individuals. Below is a listing of standard services available from Information Technologies and other resources. If you need additional information, please call our Customer Service department at (813) 974-9000.

USF Information Technologies' services include:  
1) Providing auxiliary aids such as amplified and hearing aid compatible handsets;  
2) Installing special access telephone lines to accommodate TDD devices in the residence halls;  
3) Repositioning telephones to provide better access to facilities by physically impaired people;  
4) Supplying forms to obtain discounted rates for long distance calls placed through the local operating company, to register TDD users.

Residents of the state who are persons with a disability can contact the Florida Telecommunications Relay, a non-profit corporation that is responsible for the distribution of free special equipment on loan including Telecommunications Teletype Devices for the deaf (TDD), amplified telephones and telephone ring signaling devices, all at no charge to eligible Florida residents. For information, call 1-800-222-3448.
