A Magna Online Seminar:

Prepare Yourself for the Post-LMS World

Tuesday May 11th, 12 pm – 1:30 pm,
Nelson Poynter Library, Distance Learning Studio

The future of the Learning Management System is here! In **Prepare Yourself For the Post-LMS World**, Dr. John Orlando of Norwich University will explain what you need to do now to get ready for the exciting future of improved online learning.

This audio online seminar will cover:

- Reasons for the “death” of the Learning Management System
- Shortcomings of the existing LMS
- Advantages of alternative online systems
- Which new technologies to consider adopting
- “Pulling” knowledge from students rather than “pushing” it onto them
- Adding a collaborative, constructivist element to online classes
- Appealing systems for technology-shy faculty members
- Ways of connecting online content to lectures
- Creating hybrid courses with Web 2.0 technologies
- Where online education will be five years from now
