---

### EDUCATION

- Master of Arts in Library and Information Science, University of South Florida, 2012
- Bachelor of Science in Electrical and Computer Engineering, Cum Laude, University of Miami, 1985

### PROFESSIONAL EXPERIENCE

- 2018-present Interim Director, Collections & Discovery Department, University of South Florida Libraries  
Administration and management of USF Libraries Collections & Discovery department. Responsible for library resource acquisitions and coordination with fiscal unit, metadata/cataloging, maintenance of access and discovery systems, and resource sharing (interlibrary loan.) C&D also supports Textbook Affordability through maintenance of the Ebooks for the Classroom+ database, acquisition of content for course support materials and textbook alternatives, communication of available material, and savings reporting. Management of electronic resources including serials, databases, ebooks, and ebook EBA/DDA programs.
- 2015-2018 Electronic Resources Librarian, University of South Florida Libraries  
Implement Textbook Affordability reporting process for compliance and savings. Management and analysis of EDS discovery tool. Explorations, implementations, and analyses of EBA programs. Support, management and analysis for PDA programs. Lead and responsibility for Ebooks for the Classroom program. Develop licensing and contract negotiation procedures. Lead design and development of ebook database. Support departmental data and analysis needs for online collections. Serve as resource for cataloger and staff in relation to cataloging of online resources. Work to improve ebook UX (user experience).
- 2011-2015 Library Acquisitions, University of South Florida Libraries  
Acquisition of electronic books, including vendor communications, account setup, purchasing, tracking and reporting, and coordination of cataloging. Use of database software to organize, query, analyze, and compare e-book records and produce ad hoc reports for purchasing, patron driven acquisition analysis, and catalog record maintenance. Manage e-book purchasing requests received through the Textbook Affordability Program. Organize USF Textbook Affordability Project promotions and events. Assist with USF Educause/Internet2 E-Textbook Pilot programs, including faculty recruitment, coordination of LMS systems and e-book platform, design and presentation of training documentation for faculty, students and IT help desk, interaction with participating publishers, set-up of e-textbooks for courses, cost and usage statistics, daily operations, and troubleshooting.
- 2007-2011 Volunteer Library Assistant, Clark Elementary School  
General circulation duties, reference services, and technical assistance. As volunteer coordinator, scheduled and managed volunteer staff, participated in library reorganization,
