IV. Dean's Retreats

- There was a detailed discussion of the Faculty Retreat schedules for the spring
- The CC will ask the Dean to revisit and distribute faculty retreat dates

V. College Standing Committees

- There is a conflict with Joyce Nutta's assignment on the Promotion & Tenure Committee. The Council thanks Kim Stoddard for temporary service in the fall review with replacement of long-standing faculty planned for the Spring semester. Kim and Margaret are the only eligible faculty and both have over-served the normal term. Joyce Nutta is on administrative leave and not teaching, Steve Micklo and Bill Heller are on Sabbatical. Steve Lang is being considered for a promotion. The situation should be resolved in the spring with the return of eligible faculty and the addition of any new tenured faculty eligible for next fall.
- Most committees are having issues finding both liaisons and chairs
- Meetings should be provided to Joy for the college on-line calendar
- Deanna reports that the faculty Senate is working on the issue of campus facility fees

- Bonnie reports the Curriculum and Program Committee is reviewing courses and catalog entries.
- Deanna reports Annual Reviews are due to the Committee by Feb. 9th .
- Gwyn reports the Professional Partnership Committee still has not finished a charge statement
- The Professional Awards Committee is concerned about who gets monetary awards. Steve reported that UFF has received a note from the Provost that restricts monetary awards until the contract negotiation is finished. This needs some discussion with the Dean.
- Marilyn reports the By-Laws and Constitution Committee has met twice and is making progress on wording to be presented to the faculty in the spring for ratification, vote, or approval as appropriate.
- Bonnie reports the Student Appeals Committee seems to have broad responsibilities and the exact function of the committee in coordination with advisors, faculty and administrators needs clarification.

VI. New Business

- Kim suggests that the Electronic Calendar needs to be accompanied with announcements of changes so that faculty don't miss them.
- A general discussion of the roles of the Administrative Council and the College Council as having overlapping roles was left unresolved, but would be a topic for discussion with the Dean or at an upcoming Faculty Forum.

At 2:42 PM Kim moves we adjourn. Gwyn Seconded. Carried.

Respectfully Submitted,
Steve Lang
