Re-Registration

Each year student organizations are required to re-register through BlackBoard. This is an extremely important but easy process. All existing student organizations must register online through Blackboard by 5:00 pm on the last Friday in September of each year. Any existing student organization that does not submit a registration by the stated deadline will lose its registered status, all A&S fees allocated to the organization, and all rights granted by the registration process. Should the organization desire to register following the deadline, it will have to do so as a new student organization.

2011-2012 Re-Registration:

1. Log in to BlackBoard.
2. Click the "Student Life" tab.
3. On the right side of the screen look for the wording "Presidents: Update and Manage Your Organizations". Click the "Search" button next to this line of text.
4. Search for your Student Organization.
5. Click the "Membership" icon on the far right side of the screen.
6. Update your organization's membership, including adding all new members, removing former members, and updating roles of any current members.

7. Verify that your advisor's information is correct.
8. Return to the Search page and again search for your organization.
9. Click the "Details" icon on the far right side of the screen.
10. Scroll to the bottom of the screen and look for the button that says "Re-Register This Organization".
11. Click this button.
12. Your organization has now re-registered for the 2011-2012 academic year.

If you have any problems with this email Ralph Reid at roreid@usfsp.edu or call 727-873-4500.
