TU COURSES:

Jerry stated that a new Distance Education Room has been set up in DAU 272. The key will also fit DAU 256B. The key will be barcoded and have AU on it. Only students with current ID's will be allowed to use the room, so it can be checked out on their cards. Some of the classes may go beyond 10:00 pm. There are two VCR combo units, two TVs, two telephone lines, and enough space for five people in DAU 272. The schedule of the FEEDS classes will be posted on the door of DAU 272. On Thursdays there are 5 FEEDS and IFTS classes on campus. There are six people in the Library's conference room, one person in the AU room, and five in DAU 272. If students come in asking for handouts they are located in DAU 272 under the class name.

RESERVE/CIRCULATION MERGER:

A discussion was opened on the possibilities of a merger and its consequences. Some questions asked were:

- 1. Will one person be able to handle the traffic?**
- 2. What will happen during the busy period?**
- 3. Will another terminal be placed at circ.?**
- 4. Will a part time person be hired?**

Jackie S. stated that we have been approved for a part-time person until June 94. The person who handles Reserve from 5-6 pm will help at the Circ. desk. There have not been any plans to move another terminal to the desk, but it can be done. A decision hasn't been made.

FAX MACHINE:

Jackie J. asked that Circulation and Reference both need to monitor the faxes. Please fill out a pink slip for each fax received noting when recipient has been called. The yellow slip is to be filled out when making a fax, and the pink is to be filled out when one is received and notification is made.

6. Only the current week's tape can be shown at the times stated above.
7. The regulations will be posted at the Reserve Desk by Sincich's materials.
