This Newsletter is brought to you for free and open access by the CUTR Publications at Digital Commons @ University of South Florida. It has been accepted for inclusion in CUTR Newsletters by an authorized administrator of Digital Commons @ University of South Florida. For more information, please contact scholarcommons@usf.edu.
Timesheets are due!

Accelerated timesheet cycle: Timesheets for weeks ending 11/15/18 are due by 10:00 a.m. Friday, 11/09/18 (in three days).

Timesheets for weeks ending 11/29/18 are due by 10:00 a.m. Tuesday, 11/27/18.

For students who complete hourly timesheets- please make sure your timesheets are approved by your supervisor.

CUTR is going paperless! Please use DocuSign for electronic signatures

Need Help?

For instructions on using DocuSign, visit
https://wiki.cutr.usf.edu/technology-information/instructions/docusign

For information on how to complete a timesheet visit
https://wiki.cutr.usf.edu/orientation/timesheets/entering-timesheets

For information on how to use the Aegis remote desktops visit
https://wiki.cutr.usf.edu/technology-information/remote/timesheets

For help fixing common issues with timesheets visit
https://wiki.cutr.usf.edu/orientation/timesheets/troubleshooting

REMINDER - It is VITAL that you do your timesheets as early as possible... If you do miss a deadline, you will not be able to submit in AegisWeb.

Stories from CUTR
CUTR Senior Research Associate Alex Kolpakov and Research Assistants Austin Sipiora and Rakesh Rangaswamy represented Center for Urban Transportation Research - CUTR at the 6th Annual UTC Conference for the Southeastern Region at Clemson University on October 23-24, 2018.

Alex moderated a session on environmental analysis in transportation, and co-presented "Clean Vehicle Policies for Ground Transportation Operators at
Commercial Airports" with Austin. Rakesh presented "A Simulation-based Study of Right-Turn Deceleration Lane for Operational Impacts on Multimodal Users at Signalized Intersections," and also featured a poster presentation on his work with evaluating dynamic speed feedback signs to improve motorcycle safety.

CUTR Director Dr. Robert Bertini had a great time speaking to 30 high school students about civil/transportation engineering as part of the ACE Mentor Program on Wednesday October 24--the future of engineering is very bright! [ACE Mentor Program of Greater Tampa Bay] USF College of Engineering
CUTR Director Dr. Robert Bertini spoke on "What are Agencies To Do With All the Transportation Data in a Smart City?" at the Smart Cities Connect Fall Conference in Tampa on October 23, 2018. Joining him on the panel were Pete Costello and Anita Vandervalk-Ostrander of Iteris and Angelo Rao of the City of Lakeland. Iteris, Inc. City of Lakeland, FL - Government #scc18
Our wonderful student Richard Driscoll successfully defended his M.S. thesis, “Factors Influencing Household Related Vehicle Miles of Travel” today!

Congratulations Richard!

This week CUTR's Julie Bond and Amy Lester traveled to Arlington, Texas to conduct a commuter transportation workshop at The University of Texas at Arlington, home of C-Tedd! #MovingCommunitiesForward
CUTR director Dr. Robert Bertini had the honor of helping inaugurate the new Transportation Research Institute Lecture Series at the University of Arizona with a presentation "Applying a Theory of "And" for a Safe, Sane and Sustainable Transportation Technology Future." It was great seeing UA colleagues and many City of Tucson and other community partners participate! UA College of Architecture, Planning, and Landscape Architecture
Look who stopped by CUTR! Our Founding Director, Gary Brosch! He'll be with us on November 1, at the 2018 Transportation Achievement Awards Event!
CUTR was happy to welcome our colleague, Professor Anurag Pande, from California Polytechnic State University San Luis Obispo to USF on Wednesday October 3, 2018! Dr. Pande and Dr. Bertini are both associate directors of C-Tedd, and we enjoyed the opportunity to discuss our collaborations! Also pictured: Dr. Mouyid Islam, MD Hoque (ITE Student Chapter President), Runan Yang, and Chunfu Xin. Cal Poly Engineering

CUTR participated in the 29th Annual Tampa Bay Transportation Supersession on September 28, 2018, including Crystal Wang, MD Hoque, CUTR Director Dr. Robert Bertini, Hualong Tang and Jodi Godfrey (not pictured) - they were joined by TBITE President Danielle Joyce, who very enthusiastically supports our ITE Student Chapter!

October 2018 New Projects

<table>
<thead>
<tr>
<th>Project</th>
<th>FTA Technical Support for Transit Safety Standards and Standard Initiatives</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sponsor</td>
<td>Federal Transit Administration</td>
</tr>
</tbody>
</table>
Pl(s)          Staes, Lisa A
Value          2,000,000

Project        Information Dissemination Program
Sponsor        Federal Transit Administration
Pl(s)          Flynn, Jennifer M
Value          1,100,000

Project        Transit Bus Automation Strategic Partnerships
Sponsor        Federal Transit Administration
Pl(s)          Hinebaugh, Dennis P
Value          600,000

Project        Florida's Comprehensive Motorcycle Safety Program
Sponsor        Florida Department of Transportation - Safety Office
Pl(s)          Lee, Chanyoung
Value          500,000

Project        Florida's Comprehensive Pedestrian and Bicycle Safety Program
Sponsor        Florida Department of Transportation - Safety Office
Pl(s)          Lin, Pei-Sung
Value          500,000

Project        Impaired Motorcyclist PSA Campaign
Sponsor        Florida Department of Transportation - Safety Office
Pl(s)          Lee, Chanyoung
Value          300,000

Project        Share the Road PSA Campaign
Sponsor        Florida Department of Transportation - Safety Office
Pl(s)          Lee, Chanyoung
Value          220,000

Project        Community Traffic Safety Program Support
Sponsor        Florida Department of Transportation - Safety Office
