Dear Friends,

As we begin to join with family and friends to enjoy the winter break, I want to take time to wish each of you happiness in the holiday season and peace in 2009.

I also have news I wish to share with you. I have accepted a new position within the USF family as Senior Advisor to the President for Urban and Metropolitan Higher Education Initiatives. This new challenge allows me to devote my energies to my research interest of the last 20 years and to promote the University of South Florida nationally.

As I reflect on the past six years and our many extraordinary accomplishments, I treasure the work and effort that you have invested with me to benefit our institution. Thank you. It has been a privilege working with you. I look forward to working with President Genshaft to promote the interests of the University of South Florida and USF St. Petersburg.

Sincerely,

Karen A. White

Regional Chancellor
