Folks,

Thanks to Nicki Hannum, the revised documents discussed at our last meeting are now in the shared drive.

in the folder marked Graduate Council, there is another folder marked 2016-2017, and within that, a new folder named 15 May 2017. Inside you will find items for the KTCOB grad certificate for sustainability (New! improved! now with required signatures!)

Please take a good look at the submitted forms. In addition to the sigs, they now have a section titled Certificate Program Outcomes.

There is another form for the change to the COB Leadership Management grad certificate.

Finally, there are two pdf docs from COE and David Rosengrant on the new course and the program revisions.

Once you have read the documents, please feel free to bring up any issues or questions ASAP and 'reply all' so we all receive the emails.

If all goes according to plan, we can then make a motion, second it, and vote on the submitted forms.

If you can't find the docs let me know.

I hope that someone is having a good summer somewhere. :)

I move to accept the revised proposals submitted to Graduate Council:

Change to the KTCOB Leadership Management graduate certificate

New Grad Certificate for KTCOB for sustainability

Change to the COE M.S. in Middle Grades STEM

New Course: STEM Methods for Middle and Second Grades.

Can I have a second?
