Meeting Minutes**

Monday, March 23, 2015, 11 am, Piano Man Conference Room

Members: Rebecca Harris, Bill Jackson , Grover Kearns (Chair), Lucie Li, Mike Luckett, Dan Marlin, Todd Shank

Guest: Julie Harding

Actions:

Approval of Minutes Jan. 26 Meeting: Approved unanimously

Process for Archival of Assessment Materials: Approved unanimously

Change to Goals for AOLs: Approved unanimously

Change to Leadership Skills: Approved unanimously

Changes to MAN: Approved with 6 in favor and 1 opposed.

Discussion:

Status of Spring 2015 ALCs: Kearns asked that members summarize the ACLs into the proper columnar format and provide to all members of the discipline for approval. Send columnar format to Kearns and Thompson.

Status of Fall 2014 AOLs: Kearns will check with Thompson and inform committee members of status.

Process for Archival of Assessment Materials: Kearns suggested all assessment materials (ALCs, AOLs, and Quality Reviews) be saved to the Q: drive under COB/Assessments. We have encountered problems in the past in which documents have been lost.

Change to Goals for AOLs to Align with Strategic Plan: Discussion led to the attached changes and the new 2015/2016 AOL Goals Matrix (attached).

Change to Leadership Skills (for Syllabi) to align with Strategic Plan: Discussion led to the attached changes. Kearns will have the new format sent to all faculty members so they can add it the Fall 2015 syllabi.

Change to POA to reflect removal of prerequisite: Kearns stated that the Program of Accountancy is considering making Intermediate III a required course. The program

requirements would remain at a total of 24 credit hours but would now be 21 required hours and 3 elective hours. Discussion pointed out that this would make the program less flexible and that it would not conform to Tampa's accountancy program. Kearns will return to the POA for further consultation.

Changes to MAN (see summary below): Marlin presented planned changes to the Management program including dropping two courses that have not been offered in recent years and addition of a new course.

Other Business: Bill Jackson wished to go on record to express his disappointment that USFSP remained only one of two state universities that did not accept any Entrepreneurship courses as electives in the Management major.

Adjourned at 12:15 pm. Next meeting to be announced.

SUMMARY OF CHANGES TO MANAGEMENT COURSES

The MAN area will be proposing some changes to our major at the next UCAC meeting. These changes are largely based on the results of our Quality Review (which I have to finish writing up). A summary of the changes is as follows:

- 1) We will now provide a specific list of courses that students can take as electives.
- 2) We are adding a course that we have been offering as a selected topics and that is already on the books in Tampa.

MAN 4063 Management Ethics (3) BA MKT

PR: MAN 3025. Examines moral and ethical responsibilities of managing organizations at the personal, interpersonal, and organizational level.

- 3) We are removing two courses from the catalog that have not been taught in 3 plus years and that we will not be offering in the future.

MAN 3401 Industrial Relations (3) BA MAN

Conceptualization of the administrative problems arising from unionization. Emphasis on the relationship between management and employee representatives in private and public employment.

MAN 4804 Small Business Management Counseling (3) BA MAN

PR: MAN 4802 or CI. Field application in small business settings by (a) analyzing an on-going small business and developing recommendations for making improvements; or (b) conducting a feasibility study for a new enterprise and developing a strategy for implementation if favorable.
