We are thrilled that our organization is a model case study for Guidestar! Guidestar is the world's largest source of non-profit information and is where funders look to make sure they are donating to well-run organizations. Our board has grown very carefully in our first four years and this interview explains why we have been singled out for the article.

Guidestar has tweeted the article (link below) to 66,000 followers. They will also include it in their e-newsletter on Sept. 15.
