The images in this calendar came from St Petersburg's first camera store, the Strand Camera Shop. Francis G. Wagner opened Strand in 1916 and his family sold it to an employee in 1963. The store closed around 1980 and various businesses used the space. Hired in April 1984 to clean out the storage loft, Earl R. Jacobs III found more than one thousand negatives and donated them to USF St. Petersburg's Nelson Poynter Memorial Library. The originals reside in Special Collections and Archives of the Poynter Library.
