**IT'S TIME TO
GET INVOLVED!**

10th Annual
SURVIVORS SPEAK

**A powerful annual exhibit featuring artwork created
by survivors of sexual violence.**

For the 10th consecutive year, Suncoast Center, Inc. and partners have collaborated to present *Survivors Speak*, an exhibit designed to increase the awareness, understanding, and prevention of the horrific trauma of sexual violence. Clients of all ages from Suncoast Center's Trauma Services program have crafted their own unique art pieces, each providing an intimate window into the pain and healing found along their personal journeys of recovery. This year's art medium: pieces of the community puzzle.

Thanks to the Florida Craftsmen Gallery for its exhibition expertise and 10th consecutive year of partnership, to USF St. Petersburg for graciously hosting this important event, and to Creative Arts for providing ingenious artwork design. And a heartfelt thank you to all the children, teens, and adults who have courageously shared their anguish and triumph through this project. Their art sends an unmistakable message to the community:

END SEXUAL VIOLENCE!

Exhibit on Display: April 7 - 29, 2011
