Introduction to the Collection

The Retired Executives Advisory Panel (REAP) Sun Coast Papers were donated to the Nelson Poynter Memorial Library to serve as a record of that organization's activities during its first two decades. Materials in this collection contain no access restrictions.

Institutional Note

Formed in 1977 and incorporated in 1978, the Retired Executives Advisory Panel (REAP) provided civic leadership on important issues faced by residents of Pinellas County. Members—who joined by invitation only—included retired business executives who sought to “advance the economic, cultural, social, and civic resources of the community.” Monthly meetings included roundtable discussions, project overviews, and guest speakers familiar with issues facing the residents of Pinellas County.

Preservation Note

The materials in this collection occupy four acid-free document boxes. While preservation measures may slow the physical deterioration of such items, these steps cannot prevent damage from occurring. To prevent further damage to the fragile materials in this collection, avoid exposing them to light for an extended period of time. Please report any tears or other damage so that library staff may take appropriate preservation or conservation measures. Protective gloves should be worn when handling all fragile materials. While no restrictions limit access to this collection, library staff will evaluate photocopying or digitization requests on an individual basis to ensure the long-term preservation of this unique collection. Patrons using this collection must adhere to copyright and fair-use guidelines and provide proper citation of sources appearing in their research.
