Dear Mr Dunston,

Although we have not met, I got your name and address from Dr. L. Rymon at East Stroudsburg State College where I am a grad student. I have Dr. Rymon for a course in Introduction to Research and when I asked him for suggestions on what to see in Florida (a friend of mine and I are planning a trip from Aug. 10 through the 15th) he suggested I contact you, as warden of the Tampa Islands Brown Pelican Refuge. Since I am very interested in birds and wildlife, I would appreciate any help you can give me on what to see while

on my trip, I would also be very interested in seeing your refuge. If this would be possible, it would be appreciated and would greatly enhance our trip. I am enclosing a self-addressed, stamped envelope for your convenience. Thank you very much for your help.

Yours truly,  
Robert E. Brier

P.S. Glenn Miller, who is also in my class, asked me to say hello.
