FEBRUARY HIGHLIGHTS

Nature:
Love in the Animal Kingdom
Animals dance, sing, flirt and compete with everything they’ve got to find and secure a mate. But can we call these bonds love? In this look at the love life of animals, we see the feminine wiles of a young gorilla, the search for Mr. Right among a thousand flamingos, the soap opera arrangements of gibbons, and all the subtle, outrageous, romantic antics that go into finding a partner.

Airs Thursday, February 13, 8 p.m.

American Experience “Amish Shunned”
Filmed over the course of 12 months, this film follows seven former members of the Amish community as they reflect on their decisions to leave one of the most closed and tightly-knit communities in the United States. Airs Sunday, February 16, 9 p.m.
