THE STUDIO@620 PRESENTS THE SOUTHEASTERN PREMIERE OF

Delicious Nut

by Ross Marks

Delicious Nut is a painfully funny, compassionate, sometimes explosive look at a diverse group of characters at an in-patient psych ward. Their very humanity is tested during a single group therapy session. This group finds themselves thrown together in need of help emotionally, psychologically and spiritually. In the end, the human spirit triumphs as patients and therapist impact each other.

Featuring David Warner, Roxanne Fay, Robert Heitman, Karleigh Chase and Drew Smith. Directed by Bob Devin Jones
