Dear Frank -

Very much enjoyed our telephone conversation. Most appreciative of your offer of a key to the new locker - kind of an "honorary membership" in your personal lodge.

I've dictated lengthy report of the whole story. When transcribed, I'll forward a copy to you for your file on the Island's history.

Sure would like to visit with you at some future date to see the nesting. The birdlife on the island is truly spectacular.

The check is to cover Lantern, locker, and any other use you wish to make of any balance.
Cordially,
Dan
