A revised policy regarding issuance of U. S. Deputy Game Warden Commissions requires completion of a Job Qualifications Statement, SF 173, by the applicant.

It is necessary that all entries on this form be completed; but Item 10, Experience, need include current position only. It is the current position which forms the basis for appointment as a U. S. Deputy Game Warden.

After completing the form, please return it to us in the enclosed self-addressed envelope so that we may forward your complete application to our Atlanta office for processing.

Sincerely,

Robert W. Slattery
