THE STUDIO@620 PRESENTS

Saenz of Attraction

Emerging Artist Josue Saenz

August 23, 2013

The Studio@620 fosters a new generation of local creativity with frequent exhibitions of emerging artists' work. "Saenz of Attraction" is the latest in this series of events highlighting alternative points of view and millennial perspectives.

Audience members can expect to confront their own attitudes about human sexuality, with a variety of paintings, crafts, and a few little surprises throughout the evening. We invite people to come in, expand their minds, and witness the simplicity of true, unbridled sensuality- not to mention the accomplishments of a fresh, free-thinking young artist with a very diverse set of skills.

The opening reception will include live models turned into walking works of art with complete body paintings.

NOTE: This exhibit will contain mature subject matter

Opening Reception Friday August 23 from 6-9 PM

Admission is free and open to the public.
