SENTINEL JOINS THE ~~XXXXXX~~ PRESS WEDNESDAY
FLA. PRESS ASSOCIATION

Well, the Sentinel joined the Florida Press Association. This means that we add up to more than a hill of beans. I went in town Wednesday and talked to Russel Kay secretary and he signed us up. The Sentinel is awful proud of this.

Mr. & Mrs. Samm are going to Panama City, Fla. this week-end to see their son who is on the U.S.S. Cartigan.

We made a slight mistake in last week's Sentinel. In the receipt for Peppermint Wafer Desert it was $\frac{1}{2}$ tabelsopns of gelatine instead of 12. I don't guess this would make much difference though.

SPEAKING OF BIRDS

Every morning about 4:30 Mr. J. M. Dunham gets out of bed and goes out on his back porch. He lets out a whistle that sounds something like the whistle that Casey Jones used on his famous run from Canton, Miss to Memphis. The results are amazing. Blue Jays, Woodpeckers, Cardinals, and a Brown thrush make a bee-line or rather a bird-line for the food he has for them. A mother woodpecker sets her two babies on a near-by tree. Then she flies down, grabs a bite of bread, then flies back to her baby. She gets a good hold on the tree and rams thrbread down her little one's throat. Mr. Dunham has been feeding his birds about a month. He feeds them at 5:00 o'clock in the morning, noon, and at six o'clock in the afternoon.

We are very sorry to hear that Mrs. Howell had a very bad accident. She was putting a bottle of milk in her refrigerator and the door slamed shut against her and the bottle. The bottle broke and cut her knee to the bone. This brings to mind the adx above. No such accidents could happen with the fiber carton.

Mr. & Mrs. R.E. Pinnell went to Tallahassee last week-end. The grandparents stayed with the boys.

Mrs. Cross returned from a visit to Chatanooga, Tenn. She visited her sister, Mrs. Orrilton Wright.

Mr. Seitz went fishing at Lake Tsalaatopka and brought back a big mouth black bass, it weighed 6 lb.
