THE STUDIO@620 PRESENTS

Foreign / Familiar Cities

by Erin Tracy

The Studio@620 presents "Foreign / Familiar Cities", a hybrid of dance theatre and film by choreographer Erin Tracy and based on Invisible Cities by Italo Calvino. Live dance integrates seamlessly with dance film shot on location in iconic settings around Tampa Bay and in exotic environments across the globe. Tampa Bay Food Truck Rally will also be featured at the event, offering cuisine from some of the foreign and familiar locations seen in the film. "Foreign / Familiar Cities" features performances from local circus and dance notable Kurt Krynski and Spec Performance's Erin N Tracy. The piece also includes original music by New York composer Matt roi Berger.

Join us for an evening of movement, travel, adventure, and delicious food!

This performance is made possible through generous support from The Doris Duke Charitable Foundation, The Studio@620, Tampa Bay Food Truck Rally, and Kickstarter supporters.
