Crime investigations against a stunning seaside backdrop are at the heart of this new drama series following a high-flying solicitor who returns to live and work in the small town she escaped as a teenager. As coroner, Jane Kennedy’s job is to investigate sudden or unexplained deaths in this beautiful English coastal community. With a new and intriguing case to investigate in each episode, Jane finds herself having to work with old flame Davey Higgins, who is now the local detective sergeant. *The Coroner* combines mystery and potential danger with the warm, lighthearted tone of Jane’s relationships with her colleagues, family and the local community.
