Florida Birds in the Periodical Literature, 1978.

All articles were published in 1978 unless otherwise noted. Authors are requested to send reprints of their articles to the Editor for inclusion in this annual feature.

- COX, C. R., AND R. SILVER. 1977. Feral doves (*S. risoria*) in Florida (abstract). Proc. XV Int. Ethology Congress, Bielefeld, W. Germany, p. 152.
- CRAWFORD, R. L. Autumn bird casualties at a northwestern Florida TV tower: 1973-1975. Wilson Bull. 90: 335-345.—Comparison of Levy Co. tower kills with those from Orange Co. suggests that adults and immatures of some species follow different migration routes.
- DEXTER, R. W. Recoveries of Herring Gulls banded at Cape Ann, Massachusetts. N. Amer. Bird Bander 3: 52-54.—Of 1384 nestlings banded, there were 126 recovery records including one from Ft. Myers, Fla., 10 months after banding (1307 miles distance).
- EMLEN, J. T. Density anomalies and regulatory mechanisms in land bird populations on the Florida peninsula. Amer. Nat. 112:265-286.—This important paper discusses some of the reasons for the decreasing density of land birds in pine forests from north to south in peninsular Florida.
- FISK, E. J. The growing use of roofs by nesting birds. Bird-Banding 49:134-141.—Includes Florida information.
- FISK, E. J. Site tenacity in wintering migrants in Florida. N. Amer. Bird Bander 3: 145.—Information on 16 spp. at a Homestead (Dade Co.) banding station. Some Painted Buntings recaptured up to 10 years after banding and some Indigo Buntings up to 8 years after banding.
- HUMPHREY, S. R., C. H. COURTNEY, AND D. J. FORRESTER. Community ecology of the helminth parasites of the Brown Pelican. Wilson Bull. 90: 587-598.—Sample includes pelicans found dead in Louisiana (formerly transplanted from Florida) as well as birds from both coasts of Florida.
- JACKSON, J. A., I. D. PRATHER, R. N. CONNER, AND S. P. GABY. Fishing behavior of Black and Turkey vultures. Wilson Bull. 90: 141-143.—Includes observation of a Turkey Vulture wading into Fisheating Creek, Glades Co., and catching a 10 cm fish.
- KING, B. 1976. Communal feeding of Ospreys. Bristol Ornithology, No. 9, p. 158.—Bristol Ornithol. Club, England. 29 Ospreys feeding in a loose flock over the Atlantic at New Smyrna Beach, 24 December 1973.
- KING, B. 1976. Feeding behaviour of Buffleheads. Brit. Birds 69: 105.—Simultaneous communal diving in the Gulf, wading in muddy water at Zellwood and "dabbling" in the Indian River.
- KROHN, W. B., AND E. R. CLARK. 1977. Band-recovery distribution of eastern Maine woodcock. Wildlife Soc. Bull. 5: 118-122.—Of 620 American Woodcocks banded in eastern Maine, a map shows five Florida recoveries, four from the Panhandle and one from just east of Tampa Bay.
- KUSHLAN, J. A. Commensalism in the Little Blue Heron. Auk 95: 677-681.—As studied in the Everglades of Southern Florida.
- KUSHLAN, J. A. Nonrigorous foraging by robbing egrets. Ecology 59: 649-653.—Great Egrets robbing other wading birds in the Everglades.
- LANDIN, M. C. National perspective of colonial waterbirds nesting on dredged materials islands. Trans. N.A. Wild. Conf. 43: 89-99.—Florida information based on report by Schreiber & Schreiber, 1978 (see p. 37, this issue).
- MOSKOVITS, D. Winter territorial and foraging behavior of Red-headed Woodpeckers in Florida. Wilson Bull. 90: 521-535.—At and near the Archbold Biological Station, Highlands Co.
- MCKINLEY, D. Clutch size, laying date, and incubation period in the Carolina Parakeet. Bird-Banding 49: 223-233.—Includes information from Florida.

- NESBITT, S. A., D. T. GILBERT, AND D. B. BARBOUR. Red-cockaded Woodpecker fall movements in a Florida flatwoods community. *Auk* 95: 145-151.—Marion Co.
- NESBITT, S. A., L. E. WILLIAMS, JR., L. MCNEASE, AND T. JOANEN. Brown Pelican restocking efforts in Louisiana. *Wilson Bull.* 90: 443-445.—Reproductive success of pelicans transported as nestlings from Florida east coast colonies to Louisiana.
- OGDEN, J. C. 1977. An evaluation of interspecific information exchange by waders on feeding flights from colonies. Pp. 155-162 in *Proceedings 1977 Conference of the Colonial Waterbird Group* (W.E. Southern, Ed.), DeKalb, N. Ill. Univ.—Snowy Egrets and Louisiana Herons at three south Florida colonies.
- OHLENDORF, H. M., E. E. KLAAS, AND T. E. KAISER. Organochlorine residues and eggshell thinning in Wood Storks and Anhingas. *Wilson Bull.* 90: 608-618.—Analysis of stork eggs from Merritt Island and Anhinga eggs from La., Miss., Ga., and Florida (Sanibel Island, Paynes Prairie, Merritt Island).
- PAUL, R. T. 1977. History and current status of Reddish Egrets in the United States. Pp. 179-184 in *Proceedings 1977 Conference of the Colonial Waterbird Group* (W. E. Southern, Ed.), DeKalb, N. Ill. Univ.—Including Florida.
- RICKLEFS, R. E., AND S. C. WHITE-SCHULER. Growth rate of the Brown Noddy on the Dry Tortugas. *Bird-Banding* 49: 301-312.
- SCHNELL, G. D., AND J. J. HELLACK. Flight speeds of Brown Pelicans, Chimney Swifts, and other birds. *Bird-Banding* 49: 108-112.—As measured with Doppler radar at the Dry Tortugas, Flamingo, St. Petersburg Beach and elsewhere in the U.S.
- STALLCUP, J. A., AND G. E. WOOLFENDEN. Family status and contributions to breeding by Florida Scrub Jays. *Anim. Behav.* 26: 1144-1156.—At Archbold Biological Station, Highlands Co.
- STEVENSON, H. M. A probable first North American record of the Greater Antillean race of Black-whiskered Vireo. *Auk* 95: 595.—*V. a. altiloquus* from St. George Island, Franklin Co.
- SZARO, R. C. Reproductive success and foraging behavior of the Osprey at Seahorse Key, Florida. *Wilson Bull.* 90: 112-118.—Levy Co.
- WILBUR, S. R. Turkey Vulture eggshell thinning in California, Florida, and Texas. *Wilson Bull.* 90: 642-643.—The 11-12% thinning in Florida (from "near Orlando") sample not of the magnitude associated with declines in productivity.
- WILLIAMS, L. E., JR., D. H. AUSTIN, AND T. E. PEOPLES. The breeding potential of the wild Turkey hen. *Proc. Ann. Conf. Southeast Assoc. Fish. Wild. Agencies* 30: 371-378.—As studied at Fisheating Creek, Glades Co.
- WOOLFENDEN, G. E. Growth and survival of young Florida Scrub Jays. *Wilson Bull.* 90: 1-18.—At Archbold Biological Station, Highlands Co.
- WOOLFENDEN, G. E., AND J. W. FITZPATRICK. The inheritance of territory in group-breeding birds. *Bioscience* 28: 104-108.—Florida Scrub Jays at Archbold Biological Station, Highlands Co.
- WUNDERLE, J. M., JR. Territorial defense of a nectar source by a Palm Warbler. *Wilson Bull.* 90: 297-299.—At Bayside Park, Miami, Dade Co.
