SIXTY-EIGHTH YEAR—No. 307

TAMPA, FLORIDA, MONDAY, JANUARY 30, 1961

PRICE FIVE CENTS

ALL ELIGIBLE FOR PRIZES

Plans for State Fair Shape Up

Bits and pieces of the big, all-new, all-different Florida State Fair began to fall into place today, only eight days before its opening Feb. 7, for 11 days and nights of interest and entertainment.

All over the 40-acre fairgrounds and through 22 miles of exhibition frontage the pace of scores of workmen was quickening. New signs went up, flowers began to grow, and a carload of ribbons and trophies arrived as tokens of \$100,000 in prizes to be awarded in the varied competitions.

For the first time in the fair's 56 years, every person, young and old, will be eligible to receive prize money in the featured grandstand attraction, "Truth or Consequences" with Bob Barker, radio-TV emcee, giving away \$15,000 to audience participants. The show will not be broadcast or telecast here, but will be changed at each afternoon and night grandstand performance.

Three Parades
Other top attractions will include three gala parades passing in review at the grandstand, four afternoons of auto racing, and Royal American Shows presenting the world's largest midway. J. C. Huskisson, fair manager, announced advance ticket sales were "going well," with a real pick-up expected this week. He reminded that regular 75-cent gate admissions are on sale at the fairgrounds and at Walgreen's downtown Tampa store at a reduced price of five for \$2.50. Grandstand tickets for each day of the fair also are on sale.

Four special Atlantic Coast

Line trains direct to the fair siding were announced by J. C. Hughey, general passenger agent, for the Gasparilla Pirate Parade and Invasion on Monday, Feb. 13. The trains will serve Sarasota, Bradenton, Bartow, Winter Haven, Lake Alfred, Auburndale, Lakeland and Plant City, arriving at the fair between 10:45 and 11:15 a.m., and leaving Tampa between 5 and 5:30 p.m.

Space Sold Out
R. D. Jackson, chairman of the fair's livestock committee, reported a "sellout" of barn space for the more than 500 purchased beef and dairy cattle to be shown with dramatic Parades of Champions of both beef and dairy stock, a fat stock show and sale, a table beef contest and a beef taste evaluation panel, all aimed at the development of Florida livestock.

The women's department, arts and crafts show, honey exhibit, swine and poultry shows, youth participation in Future Farmers of America and 4-H Club activities will be outstanding.

Three flower shows in 15,000 square feet of exhibition space will provide unmatched sights of beauty which could be seen nowhere else during February. An international accredited orchid show, sponsored by the West Coast Orchid Society, will open the fair program, Tuesday, Feb. 7, 10 a.m. to 5 p.m. Wednesday and Thursday, Feb. 8-9, 10 a.m. to 5 p.m. Gasparilla Pirate Invasion and Parade—Monday, Feb. 13, 10 a.m. to 5 p.m. Governor's Day—Tuesday, Feb. 14, 10 a.m. to 5 p.m. International Day—Night Parade, Thursday, Feb. 16, 7 p.m. to 11 p.m. 4-H Club Day—Saturday, Feb. 18, 10 a.m. to 5 p.m.

The orchid show will be followed for the remainder

of the fair by a hibiscus exhibition and judged show, under auspices of the American Hibiscus Society, and frequently changed artistic flower arrangements by members of the Tampa Federation of Garden Clubs. The arrangements, all new, will be thematic of Tampa's Festas, Tampa at Play, Tampa's Industries, Tropical Tampa and Tampa's Bright Future, also in an accredited exhibition.

Electrical Show
The latest developments of electrical science and engineering, including a new combined stove-refrigerator, will be presented here for the first time in the enlarged Electrical Exposition.

Thirteen Florida counties will be showing the products of farms, groves and ranches in spectacular dioramas of pleasant sunshine living.

With something new and different daily, a schedule of major special events follows:

Shrine Day and Parade—Tuesday, Feb. 7, 10 a.m. to 5 p.m.

International Orchid Show—Tuesday-Thursday, Feb. 7-9, 10 a.m. to 5 p.m.

Hibiscus Show—Feb. 10-13, 10 a.m. to 5 p.m.

Tampa Federation of Garden Clubs Flower Arrangements—Feb. 10-18, 10 a.m. to 5 p.m.

Auto Races—Wednesdays and Saturdays, Feb. 8, 11, 15 and 18, 10 a.m. to 5 p.m.

Future Farmers Day—Saturday, Feb. 11, 10 a.m. to 5 p.m.

Gasparilla Pirate Invasion and Parade—Monday, Feb. 13, 10 a.m. to 5 p.m.

Governor's Day—Tuesday, Feb. 14, 10 a.m. to 5 p.m.

International Day—Night Parade, Thursday, Feb. 16, 7 p.m. to 11 p.m.

4-H Club Day—Saturday, Feb. 18, 10 a.m. to 5 p.m.

Visual Arts Class Studying Local Artists' Techniques

Russian Lady From Lutz Is First Guest Speaker

By TISH GABEL

To round out their semester's studies, Dr. John V. Blackwell's Introduction to Visual Arts class has been learning about Tampa's artists, a m a t e u r and professional. Each student was responsible for finding out the background and special art of one local artist. First guest speaker, Jan. 11, was Mrs. Barbara Bachoizeff, a Russian who now lives in the Lutz area. Mrs. Bachoizeff specializes in pastels and oils with a special interest in portraits and life studies.

Mrs. Bachoizeff was born and raised on the border of Siberia. After she married, she and her husband moved to Australia and later to Canada where she continued painting from memory pictures of her people and homeland, pictures depicting native Australian life and pictures of the Canadians.

While visiting the visual arts class, she briefly attempted to demonstrate some of the techniques of pastels in a portrait, although the materials present were highly inadequate.

On Jan. 16, the class continued their study by a field trip to the Gallery run by Mrs. Aileen Soskis and Arnold's Shoe Store operated by Sol Arnold, both in Ybor City.

Mrs. Soskis teaches art as well as managing the Gallery where many of the local artists sell their paintings.

Sol Arnold displays many of his paintings on the walls of his shoe store. He is a student of Tampa's Joe Testa-Secca, designer of the university murals. Arnold prefers the more abstract rather than realistic art.

He recommended artists begin with realistic and progress to abstract, gradually changing their purpose from portraying nature to expressing a feeling or idea.

On Jan. 19, Dr. Charles Hess, assistant professor of art here at the university, spoke to the class. His visit was highlighted by a number of slides, examples of his work. Dr. Hess prefers modern abstract art for his spare hours. He has done quite a bit of work with various effects of color reflected through plastic.

Jan. 23 the class was visited by Joe Patrick and Mrs. Daisy Koenig during the laboratory period.

Patrick is a local commercial artist. One of his largest works is the 30-foot-tall eagle on the Annheuser-Busch sign.

Mrs. Daisy Koenig, a student of Joe Testa-Secca and William Pachner, since 1956, showed the class a variety of her artwork.

'Blue Room Groups' Spark Discussions

For those of you who have or haven't attended (or perhaps one should say participated) in "The Blue Room Group," this article is for you.

The Blue Room activities are sparked by a group of students called Group 20. This group is officially recognized and has for faculty adviser Dr. Sy Kahn.

assistant professor of English.

Group 20 is not a group with a limited membership; instead, it's open to any and all students and faculty at the University. Anyone wishing to join in is invited to come to Room 168 one of the coffee lounges in the University Center during the hours of 9-11 a.m. and 2-4 p.m. Monday through Friday.

The main function of this group is to stimulate open, informal discussion between student and faculty. One of the activities is folk song singing. Many of the students who participate in the Blue Room Group have an interest in both folk music and jazz. Occasionally Dr. Kahn has been seen playing the guitar and singing. — M. H.

Aerospace Lecture Scheduled

A talk on the Aerospace Activities at Cape Canaveral will be presented by Capt. Robert A. Foster on Thursday, Feb. 9, in Science Lecture Auditorium, Room S-100.

The lecture will be given at two different times. The first talk will be at 10 a.m. and the second at 7:30 p.m. Capt. Foster will address the Math and Science Club and all other interested persons.

The talk on the activities at Cape Canaveral will include a motion picture film of actual missile launches and film clips of test equipment.

Capt. Foster is a graduate of Leon High School in Tallahassee and received his B.S. degree from the U.S. Naval Academy. He attended the Air Force Institute of Technology where he obtained his master's of science degree. He is presently a member of the Institute of the Aeronautical Science.

Foster

USF Calendar For 3 Weeks

This is the last "Campus Edition" of the Tampa Times until Monday, Feb. 20, because Monday, Feb. 6 and 13 are holidays.

The following dates are important ones to remember:

Exams from Jan. 30 to Feb. 4.

Jan. 31—E. English from 2-5 p.m.

Feb. 1—Human Behavior from 12-2 p.m.

Feb. 2—Physical Science from 8-10 a.m.

Feb. 3—Physical Education from 2-4 p.m.

Feb. 4—EXAMS END TODAY.

Feb. 6—Coffee hour for the new students from 3-5 p.m., given by the Presidents Council.

Feb. 6-7—New students' orientation and registration period; holidays for new students.

Feb. 8—Classes resume; schedules may be changed if necessary.

Feb. 13—Holiday for Gasparilla Parade.

KEEP USF CAMPUS RUNNING

Physical Plant Personnel Divided Into Five Groups

The Physical Plant Division, of which Clyde Hill is director and consultant engineer, contains five departments.

First is the utilities department. Its superintendent is George A. Stephan. This department takes care of the water, heating, air conditioning and other utilities. The campus has its own water system and central heating unit. Heat is piped from the utility building to all the buildings on campus.

The second is the securities and communication department, of which James D. Garner is superintendent. This department is in charge of the police force, the security of the buildings, and the registration of vehicles.

Also in this department comes the campus post office, mail de-

livery, and the telephone service.

Another department is janitorial services, with Joseph S. Dunn as superintendent. This department is charged with keeping the buildings clean and neat.

Still another section is the maintenance department, of which Earl D. Henry is superintendent. This department takes care of all the electrical, painting, carpentry, and plumbing jobs, and maintenance of all buildings. These various jobs are done on a charge basis.

The new maintenance building has just been completed. The building is situated next to the power plant.

The grounds and transportation department takes care of landscaping, and maintenance of the grounds. Also, in this department is the nursery. At

the present time there are four full time workers in the nursery. Of the plants presently on campus many were grown in the nursery, some were donated and some were bought.

Also, the transportation section has nine trucks, of various types and a cargo trailer.

The superintendent of grounds is Curtis L. Carver.

In the Physical Plant Division there are 79 employees.

Campus Notices

Students interested in summer employment in the national parks should contact Dr. Fisher in the Student Personnel Office about openings. Information has been received about government jobs, principally for men, as rangers, naturalists, historians, and archeologists, who assist the permanent ranger staff. Minimum age for these jobs is 21. In addition, some unskilled jobs such as trail crews, maintenance and disease control crews, fire control and fire guards, are also open. Some women are employed in summer jobs, mostly of the clerical nature, but also in the fields of botanical and historical interest.

Private concessioners operate the hotels and other business enterprises in the national parks under government franchise, and these concessioners do their own hiring without reference to the government. Information concerning qualifications and application is also available for these positions. Many of these positions are open for women as well as men. Applications must be submitted between Jan. 15 and March 1.

All students interested in joining the USF Chess Club, please sign up at the information desk in the University Center. If you do not know how to play but would like to learn, please indicate this when you sign up.

The USF Rifle Club will meet Tuesday, Jan. 31, in U-216 at 10 a.m. Discussion on building and organization of new club.

The Baptist Student Union will meet at 10 a.m., Tuesday, Jan. 31, in U-203. All interested persons are invited to attend.

Shakespeare's "Tempest" will be performed by the Tampa Community Children's Theatre on Thursday, March 16; Friday, March 17; and Saturday, March 18, at Tampa Community Theatre in Drew Park.

This is the first time a Shakespeare production has been staged in the history of the Tampa Little Theatre, and it should be of particular interest to English students.

Work-Study Cooperative Program applications available in Room 2035, Administration Building.

Class Cuts Only Hurt Students

Have you been "cutting a few classes?"

The only rule for USF students that is stated in any way is that they are expected to attend and participate in their classes.

Instructors are asked to report students with excessive absences. "Excessive" may be defined by one professor as two or three and by another as five or six.

Dr. Margaret Fisher, who is in charge of absences, says that her office is designed not to control of students, but as a service to them.

Many students do not understand exactly what is expected of them in college. They have never been in a college situation before. There are no upper-classesmen to explain the things it is necessary to do when one has cut a class.

There are many cases in which a student misses a few meetings of a class, often for a very good reason. He then becomes frightened and puts off going back to that class.

Because this is a commuter college it is harder to keep tabs on who is ill, and who is just staying away from it is on most other campuses.

Students should realize that they have a responsibility to find out what is expected of them in the way of make up work when they have missed a class. Excessive cuts will not only jeopardize a student's standing in a particular class, but may also, by bringing down his average, endanger his standing as a student.

Little Man on Campus

PE Exhibit Goes On at State Fair

By JOHN GULLETT

The physical education and intramural staff, working in conjunction with the Office of Student Affairs, will present an all-day exhibit at the Florida State Fair Feb. 18.

Golf, tennis, chess and archery equipment will be shown along with the sailing and rifle club exhibits. Demonstrations will be presented by university students, under the direction of the physical education instructors on the even hours of the day, from 10 a.m. to 8 p.m. There will also be talks on projected physical education courses.

Six showings of the 1956 Olympics and the inspiring film of a Bob Richards lecture entitled "Life's Higher Goals," are scheduled at 9 and 11 a.m., and 3, 5, 7 and 9 p.m.

FOOTBALL OVER

With their 14-0 victory over the Desert Rats on Jan. 18, the Gila Monsters finished the season with a spotless 7-0 record and captured the first intramural touch football league championship at the university. The Rats and the Mafia both finished with a 5-2 record. They are the only finishers in the league which started Nov. 28 with eight teams.

Charles Yawn captained the rugged Monster eleven. Other members of the championship club include: John Berry, Jerry Goins, John Frist, Manuel Victoria, Manuel Balseira, Ray Graham, Jim Davis, Joe Campamora, Roger Weaver, and John Sullivan. Jim Moffett, Jim Barbabella and Dave Aycock officiated the contest.

ALL-STARS LOSE

The Intramural All-Stars lost a real heart-breaker Jan. 24 in the Intramural Basketball League. The Desert Rats, who held a commanding 31-19 lead at the half, collapsed long enough in the second half for the Stars to pull ahead. With two minutes to play the Stars took a temporary one-point lead, only to have the Rats snatch the hard-fought victory from their hands, 46-43. The Rats thus take the rail position in the still-young league with a 2-0 record.

In the only other action of the day, the Palma Ceia Punks downed the Flashes with an impressive 46-24 win.

All intramural action ceases this week because of—what's this?—exams. Play will resume in the basketball league Feb. 8, when the Monsters take on the Rats at King High. The All-Stars and Punks tangle on an adjoining court.

ARABS REORGANIZING

The USF Bowling League is seeking the addition of new teams for second semester play. The team members will number four, rather than the former three. The mixed league reorganizes Feb. 14 after a practice session by members. League play resumes at Florida Lanes, Feb. 21, at 4:30 p.m.

Faculty bowling resumes Tuesday, Feb. 19. New teams are also needed in this league. At this time there will be an individual handicap tournament, with a trophy presented to the winning player.

CONCERTS

Woodwind Quintet And Choir Debut

Mozart, Malcolm Arnold, and the musicians for three curtain calls.

Another one of the many "University firsts" was presented Tuesday, Jan. 24, with the debut of the University choir.

The choir is under the direction of R. Wayne Hugoboom, associate professor of music. The concert was held in the Science Lecture Auditorium S-100, at 10 a.m. and 8:30 p.m.

The choir was a complete success with its audience, that enthusiastically applauded the varied selections. "Ride the Chariot," a spiritual by Smith, with solos by Dave Maggiamomo and Pat Williams, was especially liked by the audience.

The choir presented a worthwhile rendition of the difficult Choral Suite by Kubik, from "A Mirror for the Sky." The suite was narrated by Sheldon S. Sumner Jr.

The choir closed the program with a few modern selections, among them, a "jazzy" interpretation of "My Bonnie Lies Over the Ocean," another favorite with the audience.

Mozart's "Divertimento No. 8, K.V. 213 was especially received with enthusiasm.

This type of entertainment, woodwind ensemble, did not appeal as much to the students' tastes as did the previous events, such as the violin concert given by Edward Predor a couple of months ago.

However, the audience brought

USF Will Hear Harvard Speaker

"Fungi in Service and in Sabotage" is the subject chosen by Dr. William H. Weston, well known lecturer and teacher of general education courses in biology at Harvard, who will speak Feb. 14, at 4 p.m., in Room 111 of the Science Building.

Weston, who has been on the staff at Harvard University for more than 40 years, spent 4 years in the Tropics doing research on various crop diseases and those diseases caused by fungi and other lower plants. He is currently connected with the Research and Development Center of the Quartermaster Corps, Natick, Mass., where he

aids in basic research on health and efficiency of military personnel. He has also been a consultant for United Fruit Company and the Cuba Sugar Club.

While here at USF as a visiting lecturer, Weston is going to stay at Chinesegut Hill, outside of Brooksville, which—in his opinion—has possibilities as a research center and as a supplement to USF classes for field work and experience. Because of its unusual potentialities, Chinesegut Hill would be a valuable asset to the divisions of botany, zoology and related fields at USF, according to Weston.

Air Force Colonel, T. E. Phillips, Dies

Col. Terrell Edward Phillips, 59, of 149 Bosphorus Ave., a retired Air Force officer, died Sunday afternoon in a Tampa hospital.

A native of Hogansville, Ga., he had lived in Tampa for the past 18 months since his retirement.

He was an honor graduate from the University of Auburn, with a B.S. degree in business administration and was commissioned a second lieutenant in Officers Reserve Corps.

In ROTC he was cadet colonel and commander of the student infantry regiment and was cited by the commandant as a distinguished military graduate.

At his death he was executive vice president of Automatic Merchandising Inc. here. He was a member of the Men's Club of the St. Andrew's Episcopal Church. He took part in various civic activities, in the chamber of commerce, Kiwanis Club, PTA, United Fund and March of Dimes.

Col. Phillips was called to active duty as a captain, Officers Reserve Corps in 1940 at MacDill Air Force Base. He was base personnel officer, base executive officer, attended command and general staff school at Ft. Leavenworth, returned to MacDill at beginning of war, advanced to deputy chief of staff, was promoted to colonel, and sent to Australia as deputy chief of staff of Australian Air Force Service Command. After

service in Australia, New Guinea and Philippines he was rotated to the States in 1945.

At the conclusion of the war, he was commissioned as a colonel in the regular Air Force, and remained in service as deputy chief of staff for personnel of the Tactical Air Command. He was also chief of staff of the Caribbean Air Command at the Canal Zone. He attended the National War College, and was later transferred to USAF headquarters at the Pentagon. He became controller of the Tactical Air Command, and retired in that position in 1959.

Following his retirement, Col. Phillips joined Automatic Merchandising Inc. as administrative assistant to the president, Robert T. Cozart Jr.

An autopsy has been scheduled for today to learn the cause of death.

Col. Phillips was found in bed dead by his wife, police said. She told police that he had not been ill, that her husband was in the garage working on the electric clothes dryer before she went to church. She told police she found him in bed, apparently dead, when she returned home.

At Tampa General Hospital, a medical examiner, Dr. Fred Collier, said he could not determine the cause of death. Col. Phillips is survived by his widow, Dorothy; a daughter, Mrs. Robert Leur Carter of Fort McClellan, Ala.; two sisters, Mrs. W. E. Clark of Douglas, Tex.; one sister, Mrs. Alice Larocque, Kankee, Ill., and four grandchildren.

Burial will be in Arlington National Cemetery, Virginia.

Hell Laughed Out of Being, Graham Says

ST. PETERSBURG, Jan. 30 (AP)—"We have laughed hell out of existence," evangelist Billy Graham declared in the sixth sermon of his current Florida crusade.

Graham told the crowd that filled Al Lang baseball field last night the reality of hell must be emphasized. "We have made caricatures of it on Broadway and in many of our films, but the Bible teaches us there is a hell."

The evangelist said the basic cause of the world's trouble is sin.

"Sin is not the violation of conscience, transgression against the law of Moses, but is coming short of living like Christ."

Graham directed part of his sermon at retired persons, who form a large part of the population in this area. "You have come down here to live, but for sentimental reasons you have left your church membership in the north," he said.

—(AP Wirephoto)

OFF TO SEEK THE SANTA MARIA

Four U.S. Navy officers walk across the rain-swept field at Belem, Brazil, toward their plane this weekend for a flight over the nearby Atlantic Ocean to keep track of the rebel-held Portuguese liner Santa Maria. Authorities are trying to arrange a Brazil stop for the liner to allow the disembarkation of passengers caught in the international sea drama.

Deaths in Tampa

MRS. DESNEIGE M. SENESAC—Mrs. Desneige M. Senesac, 76, a resident of Municipal Trailer Park, died Sunday morning at a Tampa hospital. A resident of Tampa for 13 years, she is survived by her husband, Arthur L. Senesac, Tampa; two sons, Donald Senesac, Clearwater Beach; Arthur Paul Senesac, Arlington, Tex.; one sister, Mrs. Alice Larocque, Kankee, Ill., and four grandchildren.

ADAM HENRY BRANDT—Adam Henry Brandt, 91, of Thonotosassa, died Saturday night. A native of Chambersburg, Pa., Mr. Brandt had lived in Thonotosassa for the past 28 years. Survivors include his widow, Mrs. Stella Brandt; a daughter, Mrs. Helen Thomas, both of Thonotosassa; four grandchildren, two great-grandchildren, three stepdaughters, Mrs. Lucille Parrish, Martinez, Calif.; Mrs. Roy Thomas, Gary, W. Va.; and Mrs. Margaret Van Aken, Tampa; two stepsons, Andrew Licewov, Temple Terrace, and Clarence Licewov, Elkins, West Virginia.

HARRY A. CRANMER—Harry A. Cranmer, 55, a resident of Tampa and Naples, died Friday at his home in Naples. He was a native of Atlantic City, N.J. An accountant, Cranmer was formerly connected with the Tampa Marine Repair Corp. and with banks in Sarasota and Philadelphia. He is survived by his mother, Mrs. Alma Cranmer and three brothers, Donald, Norris and Richard Cranmer of Tampa and a sister, Mrs. Velma Christine of Brightline, N.J.

FRED A. BELL—Fred Allen Bell, 84, of 715 E. Emma, died yesterday evening. A native of Bluffton, Ohio, he had resided in Tampa for 43 years. Survivors include his widow Mrs. Grace W. Bell, one son, Ernest W. Bell, two grandchildren, three great-grandchildren, three stepdaughters, Mrs. L. H. Sanger, Mrs. Irma Bolch and Mrs. Alex Evonoski, all of Tampa, and 10 grandchildren, and six great-grandchildren. Mr. Bell was a member of the John Darling Masonic Lodge and a retired U.S. Customs inspector with 24 years service.

ALBERT EVANS—Albert Evans, 71, of 4217 Downing St., died Sunday morning. A native of Scotland, Mr. Evans had resided in Tampa for 10 years. Survivors include one daughter, Miss Nancy Evans, Tampa and a brother, Alfred Evans, Queensland, Australia.

ALBERT E. GRAYHURST—Albert E. Grayhurst, 60, of 8415 Otis Ave., died Sunday night in a Tampa hospital. A native of Providence, R.I., he had been a resident of Tampa for the past year. He has been associated with John H. Swisher Cigar Co. for 13 years. A U.S. Navy veteran of World War I and II, Mr. Grayhurst was a retired commander in the U.S.

FRANCISCO BARRERA—Francisco Barrera, 64, of 1605 26th Ave., died Sunday afternoon at a Tampa hospital. A native of Asturias, Spain, he was a member of the Centro Asturiano Club. He is survived by his widow, Mrs. Luisa Barrera, and a brother, Jose Barrera, both of Tampa. He was a resident of this city for 45 years.

Wilson Sammon, Mortician, Dies

Wilson Sammon, 54, Tampa funeral director, of 410 Belle View Ave., died Saturday night at his home. A native of Winder, Ga., he had lived in Tampa since 1925.

He is survived by his widow, Mrs. Maudie Thorpe Sammon, Tampa; two daughters, Mrs. C. K. Haynes Jr. (Martha Anne), and Miss Nannette Sammon, both of Tampa; one sister, Mrs. J. C. Jameson (Maggie Jo), Fernandina Beach, and two grandchildren, John H. Haynes, both of Tampa.

A Florida licensed funeral director and embalmer, he owned and operated the business which bore his name since 1939.

He was a member of the Palm

Naval Reserve, a member of Auburn American Legion Post 20, Evanston, R.I., and a member of the Cranston, R.I. Episcopal Church. Survivors include his widow, Mrs. Evelyn R. Grayhurst; a daughter, Miss Joan E. Grayhurst, both of Tampa; a sister, Mrs. Elsie Lauritson, Fresno, Calif.; a brother, Raymond S. Grayhurst, and his father, Thomas Grayhurst, both of Warwick, R.I.

JULIAN F. KERSEY—Julian F. Kersey, 79, of Rt. 6, Box 303, died Friday afternoon at a Tampa hospital. He had lived in Tampa since 1925 and was with the Tampa Tribune circulation for 10 years. He was born in 1881 in Georgia. He is survived by his widow, Mrs. Ella W. Kersey, Tampa; two sons, Rufus A. Kersey, Orlando, and Harry A. Kersey, Jacksonville; two daughters, Mrs. Daisy Browning, Tampa, and Mrs. Bertha Cooper, Dade City; a half-brother, Libran Kersey, Starke; 12 grandchildren and 16 great-grandchildren.

ANTON P. CHIZ—Anton P. Chiz, 68, resident of 2324 Bay Haven Drive, died Saturday afternoon at a local hospital. He had resided in Tampa for five years. He is survived by his widow, Mrs. Anton Chiz, Tampa; one son, Donald Chiz, and one daughter, Mrs. J. Obey, both of Midlothian, Ill.; two brothers, Conrad Chiz, Chicago, and Max Chiz, British Columbia, Canada, and three grandchildren.

GENE B. DARRAH—Gene B. Darrah, 50, of 1001 E. North St., died Friday in Portageville, Mo. A native of Orville, Vt., he had been a resident of Tampa for the past 26 years. He had been associated with the trailer industry for 10 years. He was connected with automobile racing. He is survived by his widow, Mrs. Christine Darrah, Tampa; a son, Gene B. Darrah Jr., Akron, Ohio, and mother, Mrs. Charles M. Seely, Akron.

PASTOR SEGAGE—Pastor Segage, 93, of 1600 1/2 Eighth Ave., died yesterday evening at a local hospital. A native of Matanzas, Cuba, he had resided in Tampa 70 years and is survived by two daughters, Mrs. Lena Soto of Tampa and Mrs. Maria Luisa Aro of Miami; four sons, Jose Segage of Tampa, Oscar Segage, of Arizona, Ignacio Segage of New York, and Luis Segage of Cuba; 13 grandchildren and five great-grandchildren.

SENESE, MRS. DESNEIGE M.—Funeral services for Mrs. Desneige M. Senesac, 76, resident of the Municipal Trailer Park, who passed away Sunday, will be held Tuesday morning at 10 o'clock from the St. Joseph's Catholic Church, at which time a Requiem Mass will be offered for the repose of her soul. Rev. Fr. Mark J. McLoughlin, officiating. Interment will follow in Myrtle Hill Cemetery. Pallbearers will be Dr. Herbert B. Lott, Dr. Paul J. McCloskey, Dr. James M. San, Dr. J. Robert C. Campbell, Mr. Robert Cron, Rosary services will be held Monday night at 8 p.m. at Maricao Funeral Home, 4040 Henderson Blvd. THE FAMILY REQUESTS THAT FLOWERS PLEASE BE OMITTED.

SAMMON, WILSON—Funeral services for Wilson Sammon, 54, resident of 410 Belle View Ave., who passed away Saturday night at his home, will be held Wednesday afternoon at 2 o'clock at the Jennings Funeral Home, 6901 Nebraska Ave., with Rev. Harold Warner, pastor, and Rev. Orva Lee Ice, pastor of the Temple Terrace Community Church, to officiate. Interment will follow in Myrtle Hill Cemetery. Active pallbearers: Frank Maggio, Grayson D. Mott, Angelo T. Castellano, Arthur R. Seger, Raymond E. Boykin, A. L. Oden and D. L. Ruskin. Arrangements by Wilson Sammon Company Funeral Home.

SENESE, MRS. DESNEIGE M.—Funeral services for Mrs. Desneige M. Deaths Elsewhere

WILLIAM JAMIESON PAPE—WATERBURY, Conn., Jan. 30 (UP)—William Jamieson Pape, 87, publisher of the Morning and Sunday Republican and the Evening Republican here, died yesterday at St. Petersburg, Fla.

Pape, who started his career in Waterbury in 1901, was president of American-Republican Inc., and chairman of the Eastern Color Print-Curtis Way Inc., which produces newspaper supplements.

WILLIAM C. MICKLE—HUNTSVILLE, Ala., Jan. 30 (UP)—Episcopal funeral service will be held today for William C. Mickle, editor of the Huntsville Times, who died Saturday at the age of 34.

A native of Anniston, Ala., Mickle collapsed during a workout at a local gymnasium. He was a Navy veteran and a graduate of the University of Alabama. Mickle also held a master's degree in journalism from Columbia University.

He is survived by his widow, a son and two daughters.

LOULA D. LASKER—NEW YORK, Jan. 30 (UP)—Loula D. Lasker, 72, vice president of Hadassah, women's Zionist organization of America, died Saturday.

DR. JEROME T. SYVERTON—NEW YORK, Jan. 30 (UP)—Dr. Jerome T. Syvertson, 53, head of the department of bacteriology and immunology at the University of Minnesota, died here Saturday.

Syvertson, who was stricken while riding in a taxi, was here to attend a meeting of the Society for Cell Biology at the Rockefeller Institute.

Temporary Tracks Skirt Derailment

NEW IBERIA, La., Jan. 30 (AP)—Temporary tracks skirting the wreckage today permitted Southern Pacific train traffic to bypass a pile-up of freight cars.

Nine cars derailed and six of them overturned when a defective rail buckled after 35 cars of a 135-car train, drawn by four diesel engines, had gone over the weak spot yesterday.

No one was hurt but some of the heavily-loaded 20,000-pound cars piled up dangerously close to a row of houses. One resi-

dent said, "it shook like an earthquake."

Two boxcars careened into a church parking lot. A life-size statue of St. Peter was knocked over, but the \$500,000 church, 125 feet away, escaped damage.
