Now that everyone's tires and gas are dwindling down, naturally we
feel it our duty to save them as much as we can by not driving so
much. If we can save a trip to town, it means just that much more
tires and gas we save. Instead of going to town to get your groceries,
get them in Temple Terrace. If you order your groceries from Allinson's
Grocery, they are delivered to you. That saves you that much rubber
and gas. Allinson's Grocery has a nice variety of goods, good meat,
fresh vegetables and fruits, and many other things. We suggest that
you drop in to the store and see just what they do have. You would
be suprised at the variety they carry. So save your tires and gas
by doing your marketing at Allinson's Grocery. This article is
not a paid advertisement. It is merely an ~~an~~ article expressing the
editor's thoughts on the subject. John Perry, Editor
