REPORTER

This is the new Army Air Corp insignia. It has been recently adopted to distinguish the old Air Corp Insignia from that of Germany, Italy, and Japan. The editor wishes to commend the city for its splendid work in sealing up the big hole in the road behind Hendrick's as well as others. But there are still several others that need fixing or re-fixing. We realize that this is a difficult job and must require quite a bit of the city's time. But we think it is worth the time and effort. Don't you?

the editor

Two of Temple Terrace's boys in the service are home on furlough. They are Bobby Petersen, Anti-Aircraft; and Bill Stephens, Rifle Team. Bobby has been stationed in California and has spent quite a bit of time in the desert. Bobby says he would like to be a Paratrooper. His parents haven't seen him since January.

Bill Stephens is home on furlough also. Bill says he like the Army fine. When his furlough is over, he will go to school in the Medical Corp. The Sentinel wishes to congratulate both of these boys on the fine job they have been doing and wish them good luck!

The Giddings have moved into the Macauley house.

The Girl Scouts' week end trip which had been scheduled for July 16-17 has been postponed because so many Scouts are away from Temple Terrace. Mrs. Smith expects to take them later in the summer.
