The construction fences are mostly down, the landscaping is going in, furniture trucks are pulling up: The University Student Center is nearly complete.

In fact, the builder, Creative Contractors Inc. of Clearwater, says the project is 95 percent finished.

The building will be home to nearly 200 students who will occupy the six-story residence tower. Sodexo will provide the first full-service meal plan at the dining hall

on the first floor. With meeting rooms, a game room and an outdoor basketball court, the USC is expected to quickly become the hub of campus life.

Students move in Aug. 25. Everyone is invited to the formal launch ceremony Sept. 6 at 4:30 p.m.
