Day 25 | 99 Days of Art in St Pete – Chill out with Cool Art this Summer!

“Psyched Out: Reinvented Myths” is this year’s cool theme for Florida’s statewide student surrealist exhibition at the Dali. In The Dali’s Student Surrealist Art Exhibits, students explore a variety of media such as drawing, collage, watercolor, acrylic, digital photography and mixed media. The Dali seeks to make a difference in the community by recognizing the role our art teachers play in their students’ development, and by encouraging students to continue exploring new ideas and creative thinking in all fields of education.
