In a world that is increasingly more connected and interdependent, the University of South Florida St. Petersburg is committed to enhancing the global competence of its students and faculty.

The Gandhi, King, Ikeda Exhibit was open to the public March 20 through March 29, 2012.

Gandhi, King, and Ikeda forging destiny panel

I want you to go home and put down your weapons. We cannot solve this problem through retaliatory violence. We must meet violence with nonviolence.. we must meet hate with love."
-Martin Luther King Jr.
