Much of the artwork is suitable for framing or for use as mini-posters. You may purchase your AMPERSAND in the Student Activities Office.

BULLITT

JULY 20
COLOR

STEVE MCQUEEN JACQUELINE BISSET
AUDITORIUM 8 PM

Of all the films produced in the sixties, a handful will survive the test of time. BULLITT will be one.

BULLITT will stand the test of time, not because of its plot--a fairly simple cops and robbers thing, but because of the way the film is put together, acted and directed. This is what electrifies audiences, making the hair stand on end, the breath short and the heart pound. Put it all together and you have something called one of the most exciting films of the decade, a film of great style.

SWIM AND STAY FIT AMERICAN RED CROSS

The Swim and Stay Fit program is a planned Red Cross activity to encourage people to swim frequently. It is hoped that the program will help the participants attain a better state of physical fitness and that it will motivate a personal program of regular and frequent swimming.

The ultimate, long range aim of the program is that the participant swim 50 or more miles. This is done gradually. It is not a marathon, not a race, not competitive and not an endurance contest. The miles are swum in multiples of 440 yards (approximately 9 laps or 18 lengths of a 25-yard pool). Four such segments equal one mile. Each segment must be swum without stopping, except for the first 3 miles where the swimmer may stop and rest as often as necessary. All other segments must be swum without rest.

After each segment, the swimmer records his distance on the master wall chart. By Date EG 5/7 For May 7. Individuals completing distances of 10, 20, 30, 40, and 50

miles will receive attractive wallet size certificates. In addition, an appropriate emblem and pin is available for persons completing 50 miles.

See the USFSP monitor, Sudsy, in Student Activities Office and sign up today. Then add your name to the to the master wall chart in the Life guard shack.

FIRST AID KITS

FIRST AID KITS are located on-campus:

Student Activities Office, Bldg. B, Receptionist's Desk, Bldg. A, Day Care Center, Swimming Pool
