Posted [June 29, 2011](#) at 2:43 pm by [Michel Fougères](#) (UPDATED: September 2012)

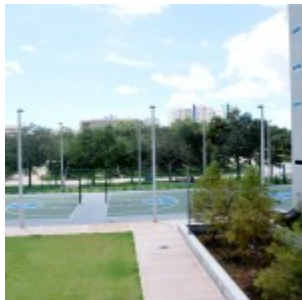

The 81,000 square-foot University Student Center will have a ballroom, dining facilities, meeting rooms, outdoor verandas and a six-story residence hall. The residence hall will accommodate nearly 200 residents in two-person bedrooms. The ballroom and meeting spaces will be available for public rental and conferences.
