Moving into the Student Life Center

The transformation of the Campus Activities Center into the Student Life Center is nearly complete.

The renovation work is done and workers this week are helping student organizations and USFSP staffers move into their new offices.

Once the move-in is complete, the two-story center will be home to student organizations, including Student Government and the [Crow's Nest](#), [Student Life and Engagement](#), the [Bishop Center for Ethical Leadership and Civic Engagement](#), the [Harborside Activities Board](#), [Multicultural Affairs](#), the [Career Center](#) and [Student Disabilities Services](#).

The [Wellness Center](#) opened on the second floor [in September](#).
