

DAY 37 | 99 DAYS OF ART IN ST PETERSBURG

June 30, Tuesday

Day 37 | 99 Days of Art in St Pete – Chill out with Cool Art this Summer!

The “Art of Puppetry” captures the essence of the human spirit through theatrical storytelling, where the artist and object become one through performance art, theater and a touch of magic. Take a trip around the globe through the Pellone/ Barrett Puppet Collection, touching on puppet pioneers and the major forms of puppetry, such as hand and rod puppets from Europe, intricate shadow puppets, water puppets and elaborate masks from all over Asia, marionettes from Sicily to Nepal, folk art puppets from Mexico to Africa used for sacred ceremonies and life celebrations, to the sheer entertainment of Punch and Judy.
