Mr. and Mrs. Earle A. McCartney are Grandparents. There was born Thursday afternoon to Mr. and Mrs. Donald McCartney a son named Douglas Gene. Congratulations!!!

The Catalinas have moved into the Wehman house. Comilla Catalina has enrolled in the fourth grade of the Temple Terrace School. Welcome to Temple Terrace!!

Saturday night in the Tampa Terrace Hotel:::

Mr. and Mrs. E.A. McCartney and Mr. and Mrs. Geo. Macauley entertaining Mrs. Macauley's sister and her husband, Mr. and Mrs. James McHugh of Hartford, Conn.

Also the A.P. Schulzkes and Mr. John O. Perry, another Sentinel subscriber, at another table.

ATTENTION!!! Two year old Tommy Joslyn this afternoon fell into one of the open drains in Temple Terrace, and only because his father was located immediately was possible tragedy averted. There are a number of babies Tommy's age and younger in Temple Terrace. It might have happened to any one of them. What about it? Shall we do something AFTER it's too late or shall we do something about it NOW?

Editor's note: As long as I can remember there have always been many of these drains without tops. Some of these drains are very deep, such as the one young Tommy fell into. They not only detract from the appearance of the streets, but are very dangerous. Boys, it's not far off until election time. Lots of people out here have young children, and it would make them very happy if you were to make the gallant gesture of putting a few tops on some drains. How about it?

The 4th. War Loan Drive is now under way. Did you give it a starting boost? If not, it's not too late now. You still have a good chance to give it a shove-- or two.
